

LEAD DANCERS ONLY

OUTFIT #1 – STREET WEAR

When the show starts, you will be an average person in New York City. Therefore, your outfit needs to be something we could reasonably see as “street wear.”

Remember: this is not “middle schooler in Bucks County” streetwear. Please follow the guidelines below to ensure you have the right look.

Bottoms	Tops
A denim or leather pleated skirt (see pictures below)	A plain GRAY short sleeve, crew neck t-shirt. - No crop tops Feel free to add color with layers! Any color <i>besides orange</i> is acceptable (orange is the color for Camp Half-Blood, so we want to save it for those scenes) - Examples of layers/accessories: A plaid shirt, leather jacket, denim jacket, vest, or zip up.
Shoes	
<u>Black</u> sneakers or boots. These should be stylish, match your outfit, and easy to dance in. Suggested styles (not necessarily brands) include: Converse, Vans, combat boots, etc.	
Accessories	
Add in an individual flare with your accessories! Acceptable accessories: gloves (including fingerless gloves), hats/beanies, belts, bandanas/headbands/hair bows, jewelry, etc.	

Skirt Inspiration Pictures – with a gray shirt, this would be the look!

OUTFIT #2 – CAMP HALF-BLOOD

Later in the show, you will be a camper at Camp Half-Blood. You will wear the same skirt and shoes from your first outfit, but change your shirt into your provided “Camp Half-Blood” shirt, and put on your camp necklace!

We are asking that each actor submit \$5 to go toward the cost of their Camp Half-Blood shirt.

This will be professionally printed, and they get to keep it at the end of the show!
(We are selling them in the gear store for more, so it's a steal!)

As a dancer, you will be a statue at Aunty Em's (Medusa's) Garden Emporium. You will wear the same skirt, gray shirt, and shoes from your first outfit, but take off any layers/accessories that added color.
